Happy birthday United States of America! As a veteran-owned and operated company, Joe Manausa Real Estate is closed today to celebrate our independence.

Here are three quick facts about this holiday you might not have known:

1. We did not declare independence on July 4th, rather it occurred two days earlier on the 2nd. The declaration was published in newspapers on the 4th, and that is how the date has stuck.
2. Three USA Presidents and Founding Fathers Died on July 4th. On July 4, 1826, John Adams and Thomas Jefferson died within five hours of each other. James Monroe died on the same date five years later, in

1831.

3. The National Sausage and Hot Dog Council (NHDSC) estimates that 150 million hot dogs will be consumed in the United States on the July 4th holiday.

Enjoy your freedom Tallahassee!
