We extend warm birthday greetings to the United States of America! In acknowledgment of our nation's independence, Joe Manausa Real Estate, a company with three proud veteran-owners, will be closed on the fourth.

Allow us to share three curious details about this day of celebration that you may not be aware of:

- 1) The actual declaration of independence was made two days prior to July 4th, on July 2nd. It was the publication of the declaration in the newspapers on July 4th that established this as the recognized date.
- 2) Three of our Founding Fathers and former Presidents passed away on July 4th. Notably, on July 4, 1826, John Adams and Thomas Jefferson died within a span of five hours. Five years later, James Monroe also passed away

on this very date in 1831.

- 3) According to the National Sausage and Hot Dog Council (NHDSC), it is estimated that 150 million hot dogs will be enjoyed across the United States on the 4th.

Enjoy your freedom Tallahassee!
